

About Us

Alanya's Construction Company MT Alparslan İnşaat was founded in 1997 by Mehmet Alparslan. For over 20 years we have been successfully working on the Alanya's real estate market. Our team does the best to create every new residential project with its origin and comfort to make our clients and their families feel happy and peaceful. Every day we continue to learn and develop in order to offer our customers not only excellent accommodation, but also a high-quality and secure life.
