

WE ARE A NEW GENERATION CONSTRUCTION COMPANY, SERVING CLASSY
PROPERTIES WITH A LIFESTYLE.

**Engineering, designing, innovation and
top quality infrastructure
are our expertise.**

From small summer property to complex luxury projects; from modular
construction to advanced digital technologies to cutting-edge sustainability,
Royal Construction Alanya has covered you.

We are providing luxury life standard sales & rental homes with the highest quality.

Royal Construction Alanya was founded in 2020 by young entrepreneurs of well-known hoteliers such as Numa Hotels, Ramira Hotels from Alanya.

New generation young company, redefine full-service and bring expertise across all project types, at all scales and under all procurement models. As innovative solution providers and construction specialists, we leverage our expertise to the right approach for your investment, maximizing value for the best price. Flexible, focused and innovative: we're focused on achieving your investment and business goals.
