

About us

Cimrin Real Estate Agency is a Scandinavian specialist in real estate market. We have combined Finnish efficiency and Turkish service mind for the advantage to our clients.

As a developer we build apartments and villas on our own plots. Our own product Sea Star Residence is combining high quality holiday homes for sale and rent with top location. We build homes and relationships. We invite you to be part of this happy community and enjoy sunny and comfortable life in Alanya.

Our sales team is ready to assist you to find your dream home in Turkey with long experience in construction.

We are doing our best to make the property buying process safe and easy. We are offering to our customers professional real estate services in their own language during and after purchase with helping paperworks and procedures, airport transfers, ongoing after sales services. (paying your bills and regular security check ups while away, cleaning your place before arrival, doing your shopping with the list you have provided before arrival assisting with furnishing etc.)

We kindly invite you to our office to find your home in Turkey.

Mission

We work on the basis that buying homes and getting real estate services should be very simple and safe. We also build homes and relationships that last a lifetime. We are devoted to build high quality properties and provide our clients with selective real estate services.

Vision

To be the leading real estate and construction company in the area which brings to mind directly; trust, quality and good service
