

Since 2003, our company has been serving in the tourism sector with an understanding that increases its experience day by day and prioritizes guest satisfaction.

Our priority is the comfort, safety and health of our guests. We also consider the health of our valued guests by taking care that the products we use are branded and also by paying attention to the rules of cleaning and hygiene.

There are 5 hotels in our company, including 4 star hotels and holiday villages. We provide service with five different hotels according to the request and budget of our esteemed guests. We have hotels for every budget.

All of our hotels provide all-inclusive service. Our meals are open buffet, between 30-50 cold appetizers and salads, between 8-15, hot meals, delicious desserts and fruit buffets, wonderful breakfast varieties, snacks in our snack bar other than meal times, hamburger, potato chips, pizza, pancakes, etc. We have prepared varieties with our guests in mind. These options may vary according to the budget of our hotels.

All of our beverage offerings are branded products. Our beverage groups are pepsi and pepsi products. Our bars open at 10:00 in the morning and serve unlimited drinks until 23:00 in the evening.

All of our rooms have air conditioning, minibar, hair dryer and comfortable beds.

All of our hotels have aqua park, Turkish bath & sauna, animation entertainment all day long, hookah, table tennis, darts, swimming pools, private sandy beach.

While you, our esteemed guests, enjoy the sea and the pool all day long, evening entertainment is complemented by animation shows, especially in the evening, which are prepared to make your holiday more joyful and peaceful. Our guests who can't get enough of the fun and want to continue the night continue their entertainment with disco tours.

We are honored and proud to host you, our valued guests, in any of our hotels. With love and respect
