

WELCOME TO AYDEMİR GROUP

WE ARE BUILDING THE FUTURE.

Aydemir Group, Turkey and Construction Company operating in the UK. Our company's head office is located in Kestel, Alanya. Aydemir Group is a dynamic construction company that can provide quality service with its experience and qualified employees in the construction sector in Alanya. We have apartments for sale near the sea in Alanya, Kestel and Mahmutlar. Enjoying the environment you live in is as important to us as the quality of our projects. We are here to make your dreams come true!

ARCHITECTURAL

We are preparing a safe, comfortable and peaceful living space for you with our modern architectural structures.

PROJECTING

Projecting in the right projects, buildings and architectural structures in the right place is a very important stage.

SAFETHY

In projects that we optimize for your health, we make new living spaces by prioritizing your safety.

REFURBISHMENT

With our urban transformation projects, we build the safest and highest quality buildings for you.
