

# EKSEN *Life*

Alanya is one of the most beautiful districts of Antalya, which is very beautiful and has beaches, cafes, bars and comfortable ones. Specifically the main production of magic castle and mountain scenery. Evening lighting romantic atmosphere and a touch of mystical touch

The scenery is so good that only a few kilometers from the sea can reach the mountains.

All of the beaches in Alanya are in good condition with sand and clean sea.

Alanya city center is close to each other. Walking is pretty much his sequence.

Our project is located in Oba Neighborhood, which is the life center of Alanya.

Eksen Life project land belongs to our facility and will be built with a modern architectural structure and luxury apartment design.
