

Our new project

Orange Vista, is on sale!

One of the most developing touristic regions of Alanya, Kargıcak keeps growing. This breathtaking place hosts a couple of high quality five stars Hotels. From now on, it will be the centre of attraction for the next construction projects as well. It is far away by just 10 km from Alanya centre and 20 minutes distance from Gazipasa Airport (GZP). Therefore, we are glad to announce that Orange Vista is located in this peaceful coastal district.

Consisting of two blocks and totally 45 apartments complex is just 200 meters away from the beach. As well as two-three room apartments, there are double and single-floor penthouse options. You can choose the most suitable apartment layout from the options offered. In addition to rich social facilities such as a fitness centre, outdoor swimming pool, Turkish bath, sauna and steam room, the facility offers a safe environment with a large green area surrounded by walls.

The unique location combined with high building quality, modern design and professional management will offer you a comfortable lifestyle and guarantee the reliability of your investments.
